WOOD FIREPLACE

The 36 Elite is shown with the Black Painted Classic Arch™ with the Single Door.

The 36 Elite large catalytic wood fireplace combines elegant style with high performance heat to bring you an excellent home heater for spaces up to 2,500 square feet. This clean-burning fireplace features our exclusive Posi-Pressure technology that uses fresh outside air to provide optimal warmth by evenly heating your entire home. The Classic Arch door style on the 36 Elite is equally charming at home in the country or gracing a contemporary living room. Our selection of beautiful arched designer faces further complement this fireplace.
